The World Series Games

THE TRIBUNE'S reports of the World Series baseball games, beginning in Brooklyn next Tuesday, will be written by men who know baseball and also know how to write. Our stars are with us all the time. You know them:

Grantland Rice W. O. McGeehan Heywood Broun

No other sporting staff can match this combination. What they say about the games will be right, and it will be picturesque, brilliant, entertaining, with enough fun thrown in to keep you in good humor.
